

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

EAST KENTUCKY POWER COOPERATIVE, INC.'S)	
REQUEST TO MODIFY THE DUE DATE OF THE)	CASE NO.
ANNUAL REPORT ON PARTICIPATION IN THE PJM)	2015-00116
INTERCONNECTION, LLC)	

ORDER

On June 2, 2014, East Kentucky Power Cooperative, Inc. ("EKPC") filed a letter¹ requesting a modification of the requirement in the Commission's December 20, 2012 Order in Case No. 2012-00169² that EKPC file by May 31 of each year a comprehensive report containing certain financial information related to its membership in PJM Interconnection, LLC ("PJM"), a regional transmission organization. EKPC's letter requests that the filing date for its PJM annual report be changed from May 31 to July 31 for all future years. In support of its request, EKPC states that PJM's operating year is from June 1 to May 31 of each year, and that EKPC needs approximately six weeks after the final operating day of a given month to adequately assemble the data associated with that operational month. Thus, EKPC contends that modifying the filing date for its PJM annual report to July 31 will allow EKPC to capture a full year's worth of PJM operating data in each of EKPC's future PJM annual reports.

Based on a review of EKPC's letter, which will be treated as a motion, the Commission finds that Case No. 2012-00169 was closed upon entry of our December

¹ Letter from Patrick Woods, Director, Regulatory & Compliance Services, East Kentucky Power Cooperative, Inc., to Jeff Derouen, Executive Director, Kentucky Public Service Commission (June 2, 2014).

² Case No. 2012-00169, *Application of East Kentucky Power Cooperative, Inc. to Transfer Functional Control of Certain Transmission Facilities to PJM Interconnection, LLC*. (Ky. PSC Dec. 20, 2012).

20, 2012 Order. Therefore, this case is established for the purpose of considering EKPC's request to modify the filing date of its PJM annual report. The Commission further finds that aligning the 12 months covered by EKPC's annual report of its PJM financial transactions with the 12 months of PJM's operating year will provide more meaningful information for reviewing the benefits and costs to EKPC of membership in PJM. Thus, we will grant EKPC's request to require future PJM annual reports to be filed by July 31, rather than May 31, so that EKPC's report will cover the same 12 months as PJM's operating year.

IT IS THEREFORE ORDERED that:

1. EKPC's motion requesting that the requirement to file a PJM annual report by May 31 of each year be modified to require the filing by July 31 of each year is granted.
2. The Commission's December 20, 2012 Order in Case No. 2012-00169 is modified to the limited extent that the annual report required to be filed in accordance with ordering paragraph 6 therein shall be filed by July 31 of each year.
3. All other provisions of the Commission's December 20, 2012 Order in Case No. 2012-00169 shall remain in full force and effect.

By the Commission
